Dear Lego Haryanto,

We, the CtrlAltDelete Senior Project Development team, thank you for providing us with the opportunity to work on NinjaManager. We appreciate your patience and understanding as well as the time you have dedicated to us over the past two semesters. We have enjoyed collaborating with you on NinjaManger. This project has been a tremendous learning experience for the entire team. Developing NinjaManager has provided us with the type of challenges and experiences that have enhanced both our technical skills and our understanding of the process of developing software. It is our sincere hope that NinjaManager will fulfill - and hopefully exceed - all of your expectations for its use. We thank you again for your time and efforts during this time.

The Delivery Products are as follows: (to be filled out by client ONLY)

No.	Artifacts	Client's Acceptance* (Yes/No)	Remarks
1	Source Code	Yes	
2	Object Code	Yes	
3	User Manual	Yes	
4	System Test Report	Yes	
5	Maintenance Manual	Yes	
6	Application is running and in operation	Yes	

*Client's Acceptance (Yes) indicates that the artifacts fully satisfy client's expectations.

Your signature on this document signifies acceptance of the product as installed and demonstrated, bringing to conclusion our work on the NinjaManager, and releases the CtrlAltDelete and California State University, Sacramento from any further obligation regarding this product. Again, we want to thank you for your support.

Sincerely,
The CtrlAltDelete Development Team
